

A VIRTUAL MEETING OF THE COUNCIL HELD

online via Zoom as permitted in The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 (“the 2020 Regulations”) due to the COVID19 (Coronavirus crisis)

THURSDAY 4th FEBRUARY 2021

16/21 PRESENT: A.Woodall (Chair), P.Smith (Vice Chair), K.Brown, L.Fawcett, S.Turner, R.Elvidge, J.Richardson, Ward Councillors; Mrs P.Smith, Cllr Meredith & Cllr Gill

17/21 APOLOGIES: Cllrs Mrs E.Hunter, Cllr R.Meredith

18/21 OPEN FORUM - 2 Members of the Parish present.

2 residents of Brackenwoods advised that they were expecting a response from ERYC Planning Management in respect of a public statement pertaining to Croft Park. The Legal Team at ERYC are looking into the site license. It was hoped that the statement would be made available following the Ward Councillors meeting with Stephen Hunt, Steven Cook & Karen Abba.

19/21 DECLARATION OF INTEREST - Councillor A.Woodall – 7.1 Planning, Prejudicial, Councillor J.Richardson 7.1 Planning - Personal.

20/21 MINUTES

RESOLVED: Minutes of the meeting held 4th January 2021, were then approved as a true & correct record.

21/21 LOCAL POLICING TEAM

Dale Ward Policing Team update has been circulated. - **Noted.**

22/21 – LITTLE WEIGHTON PLAYING FIELDS

It was agreed to keep the Playing Field Gate closed until further guidance has been received from Government in respect of lifting the lockdown and/or a change in restrictions. This item will be reviewed each month.

23/21 PLANNING

Applications

20/04198/CM – Proposed extension to the existing Riplingham Quarry for the extraction of chalk, and a full landscape restoration of the proposed extended site by backfilling with inert material to create a calcareous grassland with new tree Planting for Stoneledge Plant & Transport Limited to Land North of Riplingham Grange, Westoby Lane, Riplingham.

Discussion took place, Councillors expressed their concerns with the application.

RESOLVED ; That the application is recommended for Refusal.

1, The environmental impact

The known environmental damage caused by the fugitive dust carried out from the quarry by lorries and other service vehicles and deposited on the verges, hedgerow, and residential properties at least 2 miles from the quarry.

2, The disregard to residents in the Parish by the operators of the quarry.

The existing vehicles do not appear to use the wheel wash, as evidenced by the fugitive dust deposited on the verges, hedgerow, and residential properties. The speed at which fully laden lorries travel, noting the braking distance, on rural roads they share with other vehicles, horse riders, cyclists, and walkers, including crossing the popular walking route the 'Beverley 20' from Humber Bridge to Beverley Minster. We would like limitations placed on/and used as accessible routes the following: North from the quarry on Westoby Lane, Welton Road and Brick Dyke Lane to the B1230; and South from the quarry on Westoby Lane to Riplingham Crossroads and east on Riplingham Road to Raywell.

3, The Wheel wash should be plumbed in and functional at all times & Maintained, used by every vehicle leaving the site, not just the HGV's but all of them.

4. Tarmac at the Wheel wash to the highway entrance to ensure no additional no muck/additional road surface pollution reaches the highway.

Should the Officers be minded to approve the application, that Rowley Parish Council request that it is referred to committee for a full and open debate.

7.4 Croft Park – To receive update from Ward Councillors who attended a meeting with Planning Officers. * See accompanying notes from discussion in open forum.

7.5 Empowering our Community Housing Builds. Councillor Meredith discussed a review that will take place and wanted to ensure the Council is aware and ready for comments from its community. Questions around whether the Parish would like to see small scale affordable developments take place to provide for the next generations, or it may be to ensure that restrictions are tightened to preserve the current setting and character within the parish. Councillor Meredith would welcome feedback.

Councillor Brown advised that Drainage has always been an issue in the Village (Little Weighton).

Councillor Richardson advised that geographically we are a large parish in the East Riding and there is quite a difference between Little Weighton and some of the outlying areas, perhaps moving forward we should not consider as one area maybe time to consider separately as the issues faced in Little Weighton would be different to those of Bentley, Riplingham etc.

The Chair asked that the item remains on the agenda for additional comments in the coming months. Councillors asked to consider the agenda item and bring their thoughts to further meetings for discussion in preparation of the review panel meeting.

7.6 Documentation relating to the ERYC (A164 Castle Hill Roundabout to A164 Regiment Roundabout (Compulsory Purchase Order 2021), detailing Compulsory purchase of land and new rights of way in Skidby, Rowley & Woodmansey had been received. PDF Documents would be circulated to Council for their information.
